

IUPUI Counselor Update

Tuesday, September 17, 2019

IUPUI Campus Center

8:15 - 9:30

Registration

CE 450 Pre-functional Lounge

9:30 - 9:50

Welcome

CE 450 A/B

9:50 - 10:25

Department of Education Update

CE 450 A/B

10:30 - 11:20

Public School Update

CE 305

Public colleges and universities will update the audience about overarching trends, big changes, and any other need-to-know items for the upcoming school year. Individual changes for specific schools will be available by visiting the school's table at the college fair at 1:30 pm.

College Board: Updates to SAT and AP

CE 307

A representative from the College Board will come in and talk about score trends, upcoming changes, and various resources to help professionals better assist students with navigating the SAT. There will also be time to comment on AP classes, trends, and best practices.

Financial Aid Session

CE 309

Come hear financial aid professionals give a top-down look at the financial aid landscape awaiting families for the upcoming school year.

Campus Tour

First Floor of Campus Center (by Barnes & Noble)

Meet in the lobby to take a tour of our wonderful host school, right in the heart of Indianapolis: IUPUI! This brief tour will be led by a student ambassador, who will do their best to show you the academic and student life perspective of being on campus.

11:25 - 12:15

Private School Update

CE 305

Private colleges and universities will update the audience about overarching trends, big changes, and any other need-to-know items for the coming school year. Individual changes for specific schools will be available by visiting the school's table at the college fair at 1:30 pm.

ACT Update

CE 307

A representative from ACT will join us to discuss score trends, test changes, and new prep. resources to help professionals better assist students with navigating the ACT for the upcoming school year.

Organizing High School Visits

CE 309

We'll be discussing the process for scheduling high school visits from both the admissions and high school perspectives. Topics will include best practices, common challenges for getting students in front of universities, and a variety of useful scheduling tools that many schools have begun to utilize.
